This single and multiplayer DLC brings brings A blade to the historic Dark Age of Britain, complemented by authentic scenes and cultures. The DLC has a story mode with a complex plot where the choice has real implications, as well as the standard sandbox mode in all new environments, with advanced options and controls. Online wrestling also takes on its own flavor, with special regimes like coastal attacks and warlords. - a living world that develops around you, with historical and random events, as well as the actions of the player who contributes. More than 300 new towns, castles, villages and special scenes to discover, explore, conquer and loot.4se tool 1.9.0. 4se tool 1.9.0 download; Load Tool4se; 4se tool; Mobile flash software; The phone flashes download software; The best software to unlock your phone; Download 4se tool. More than 200 historical characters and 100 additional NPCs: kings, lords, ladies, bards, priests and many others. Meet legendary figures such as Ivar Boneless or his troubled Sigurd Snake-in-the-Eye, royalty like Harald, later known as FairHair, or Aelfred of Wessex. A mode of history where the player will be part of a complex conspiracy involving a political conspiracy, while Ragnar's sons were led by their Great Heated Army through Britain. Exciting style of play with choice and consequence, romance, betrayal, moments of greatness and ruin. Sandbox Mode, the classic Mount Blade system, where targets are determined by the player, but with all the wealth and options offered by the new setting. Sometimes their conflicts force you to use cunning and diplomacy. A complex system of religion with two denominations, the Scandinavian gods and Christianity, with monasteries, special NGCs and parties. Religion will be an important factor in the game that will affect the player's interaction even within their own party. Naval travel and military action is a key feature to really make the settings complete. Battles can range from simple heist to massive naval conflicts between huge fleets loaded with warriors, all in dynamic battles where you can pilot your own boat, adapting to factors such as wind, waves and weather. I have a key and what not, but that won't allow me to add it as a game for a couple. I decided to buy it from a website to support developers a little more (figure steam tax.
